

MINUTES
WOODLOT COMMITTEE

October 9, 2007

A meeting was held at the County Building at 9:00 a.m. on the above date.

Present

Chair B. MacDougall, Warden Jim Burns. Members: F. Foubister and G. Minielly. Also present were Deputy-Secretary-Treasurer M. Pauschenwein, Planners W. Nywening and F. Garardo, 9-1-1 Technician T. Dewsbury and Chief Building Official C. Nauta.

Absent

None.

The Chief Building Official brought the Committee up-to-date on a few items.

The Tree Preservation Plan, The Tree Replanting Policy and the subject of a new By-law with ticketable offences have been mailed to the local municipalities for their input.

There was a question regarding the money obtained from cash-in-lieu instead of replanting. The Chief Building Official stated that the subject municipality would have control over where the funds would be disbursed.

C. Nauta brought the Committee up-to-date on a couple of applications for which the applicants have not yet signed agreements. The agreements haven't been executed because staff are awaiting replanting plans that can be attached to the agreements. A condition on both decisions was that a replanting plan be submitted so it could be attached to the agreement. She has been in contact with the applicants and they have been given a deadline of November 1st. It should be noted that neither applicant has removed any woodlot to date.

Adjournment

The Chair declared the meeting adjourned.
