### Lambton County Library Calendar of Events for January 2010

**Wyoming, ON** – New preschool sessions begin the week of January 4 at most Lambton libraries. Tales for Tots is a thirty-minute program designed for children ages one and two and their caregivers. Story Hour is a one-hour program for the three to five year old. Included are songs, stories, fingerplays, activities, and crafts developed to stimulate and create an early interest in reading. Sessions are generally six-weeks in length. French Story Hour is also offered at the Alvinston, Corunna, Petrolia and Sarnia libraries. Please contact these libraries for more information.

Electronic Database of the month: **Eureka.cc**. This is a business and current events online news resource. The service provides online access to the French-language Canadian news as well as to the leading Ontario dailies and regional newspapers, including the Sarnia Observer.
