Lambton County Library Calendar of Events for February 2010

Wyoming, ON – Learn a new language for FREE with Byki Online, short for Before You Know It, at Lambton County Library. Over 80 languages are available with this powerful, fun and engaging language-learning system. Contact one of Lambton County Library's 26 branches today to register for access to the program at www.lclmg.org and Electronic Databases.

First Nations Public Library Week is held on February 9 to 14 in Ontario. The winter timing of the Week observes the First Nations' traditional snow-on-the-ground time for storytelling.

Freedom to Read Week, celebrated February 21 to 27, is an annual event encouraging Canadians to reflect upon and reaffirm their commitment to this intellectual freedom, guaranteed to them under the Charter of Rights and Freedoms. Check out www.freedomtoread.ca for a list of challenged books and more information or visit them on Facebook.

Please PRE-REGISTER for all programs except those specified as a "DROP-IN" by contacting the individual library. Preschool programs requiring registration are currently underway; however, some branches offer the programs as DROP-INS and welcome all new participants.

Our programs are FREE unless otherwise noted. Visit www.lclmg.org for further details. If you live outside of Wyoming's local calling area, contact us at our TOLL-FREE number, 1-866-324-6912, with your questions or concerns.
